Michigan Main Street Design Services are only offered to property and business owners within communities participating in the Michigan Main Street program. Applicants receiving design services are required to share final project cost information and photographs of the completed project with the local Main Street program and the Michigan Main Street program. Does the applicant agree to this requirement? Yes No

Michigan Main Street Design Services are preservation-based recommendations that follow the Secretary of Interior’s Standards for Rehabilitation as developed by the National Park Service. Any drawings that may be provided to the applicant are schematic and intended for planning and design review purposes only and are not intended to be construction documents. Services of a registered architect (recommend 36-CFR-61 Federal Certified Historical Architect) are required by law when the extent and/or nature of construction work require a sealed set of drawings.
